

# NOTICE

The construction of the East Lake Road Bridge over Indian Creek is planned to commence in August 2012. Single lane traffic will be maintained over the bridge throughout construction to provide access to the properties along East Lake Road.

A Preconstruction Meeting with the Contractor and the County is planned for Friday, July 27, 2012 at 2:00 p.m. at the Town of Romulus Office Building. A more detailed schedule will be discussed at that time. If you have any questions or concerns, you may attend the meeting on Friday or contact Roy Gates at the Seneca County Highway Department.
