### **Pledge of Allegiance/Moment of Silence**

Approval of January Minutes

Cindy made a motion to accept, Al seconded.

Motion unanimously approved.

### **New Business**

Noise Ordinance: Tom spoke with Pat Murrell. Hasn't heard back to advise weather it's ready to be forwarded to Town Board for review. A discussion ensued about designating snow blowing as an exception to hours of quiet.

Hamlet/Residential small animal/livestock: Sue Ellen prepared materials for the board to review and consider. A discussion arose about chickens and roosters in hamlet. After reviewing Sue Ellen's summary, the board agrees that the current zoning as it stands does allow for all kinds of critters and livestock (for personal use/not for profit or sale). Mary suggested we enforce the zoning as it currently stands, keeping animals confined to one's property, with the addition of Fayette's rule of keeping animal enclosure 40ft from the property line. Board also discussed maximum weight of animals; i.e. goats, and setting a limit of 100lbs. Board will consider Sue Ellen's review and ponder the best solution.

Complaint form adoption: Add "current resident" to form in addition to "property owner". Sue Ellen moved to send form to Pat for review. Al seconded. Motion passed.

### **Other New Business**

2 meetings scheduled concerning the Seneca Army Depot. IDA will be at Romulus Fire Hall 5:30 PM Thursday, Feb 9th. Army Corp of Engineers & DEC will be at the Town Hall in Willard at 7PM on Thursday, Feb 9<sup>th</sup> to discuss clean up.

Office update: Tom wants to set everyone up with a filing system in the office for use and reference.

Comprehensive Plan: ongoing
