**July 24, 2014**

Call to Order: The Special Romulus Town Board Meeting was called to order by Supervisor David Kaiser.

Roll Call:	Supervisor David Kaiser	Present
	Councilman Gordon Carroll	Absent
	Councilman Ralph Walborn, Jr.	Present
	Councilwoman Theresa Jackson	Present
	Councilman Kyle Collinsworth	Present

Others Present: Town Clerk, Terry Smith  
Highway Superintendent, Jim Williamson  
Finger Lakes Community Paper, Aneta Glover

Pledge of allegiance: followed by moment of Silence.

**Purpose of Meeting:**

The purpose of this meeting is because the Town of Romulus does not have any available personal from the County for our water district. The men have been suspended with pay and charged with a Crime.

The Mayor of Ovid has volunteered to help with the water problems.

Supervisor Kaiser has a phone call into Robert Stapleton, who worked previously with our Town and has his water license. Mr. Williamson has supplied two people to help out.

Mr. Carroll is still operator with the Town. He has been charged but has not been proven guilty. Everyday we do not have anybody working is a violation. We will be writing a letter to the Superintendent of Willard Drug Treatment Center for help. Anyone from there would be working under their Water Department's license. Also, it would be after their normal working hours.

Councilman Kyle Collinsworth suggested we take advantage of Willard Drug Treatment Center's offer of support and also of Ovid's offer. If there are any water breaks, the Romulus Highway Department will help with that problem.

The Town Board authorized Robert Stapleton to start taking over the Water 2 District in an emergency situation. He will be working with a more formal resolution.

We need to purchase a colorimeter from the Blue Book for \$400.00. Supervisor Kaiser will ask the County about the colorimeter.

**Insurance Proof – Roof bid.**

The proper papers for the recent bid on the roofing from the Little Beaver Roofing Company have been received so that bid is in progress.

**Proper Papers to be signed:**

The form, that has to be signed by Robert Stapleton to take this job, from Mr. Tom Scoles will be gotten and Mr. Stapleton's signature as well.

**Next class for Water License:**

Supervisor Kaiser will get information on the next class to be held for a water license and how much it will cost. There are several people interested in going to get this license.
