Town Supervisor Hayes gave the Town a capsule report that we are taking over the water plant and that we will not have full ownership for (7) years as that is how long that it will take to bring the plant up to standards and train/hire qualified people to run it. We also will be providing water for Bona Vista Gold course as the State has done this in the pass. There is talk that Ovid may make a switch and come to Willard for their water as well. The Village and Town are going to become one and this will be easier for them. There are no firm rules /regulations with the state as of yet. It is in the works.
