New Business – We recently had water main break on Prospect Street, Willard, NY and we received Help from neighboring Towns. We would like to employ at least 3 people to be called in when we need the help. It is recommended that we have 4. Ethan Licak and Jeff David would like to hired as pt or seasonal on the payroll.  
Also, we are having problems with the doors in the Court room and front door. Maybe we could get one big door for the front and one single door for the Court room. Supervisor David Kaiser will look into to it.  
Councilman Walborn, Jr. stated that most of the street lights have been fixed. There are still 4 lights to go.
