Nineteen concerned citizens spoke on the virtues of the area and against the waste incinerator going in as proposed. People clapped for every resident who spoke and praised the Board for taking action and for working hard to protect the Finger Lakes area.

Alan Knauf representing Circular enerG did speak and was answered by Town Attorney Patrick Morrell. Our Attorney did explain that the Seneca County Planning Board could not take action at their March 8, 2018 meeting as there was not a quorum. Therefore, a Public Hearing was set for March 28, 2018 at the Romulus Central School at 7:00 PM. A Resolution for Advertising was voted on.
