Approval of Minutes:

July 15 2020 with Resolutions.
Motion to Accept: Councilman Michael Joslyn
Seconded by: Councilman Joseph Brodnicki
Motion Carried

Petitioners to the Board:

1. Resident of East Lake Road, Thomas Kral, came to the Board to ask them to try and correct a long standing problem with him and his neighbor's property that he has own since 1980. During one of his military overseas assignments his neighbor erected two builds that are very close to his property lines. He is not sure if they had building permits for this nor is he sure of the date that this took place. Best guess is 2004 not there but 2009 they were there. He is asking if they did have permits were codes followed. The reason for this concern is that they property is now sold and Mr Kral is concern for the building being so close to the property lines that there may be some issues in the near future. He is asking that the Town Board check and see if the codes were followed and IF not can the Town correct the problem. Supervisor Hayes said that the Town will check on permits and see what steps we can take if any to help in the issue. Mr. Kral included a letter and a drawing of the area
