Bookkeeper, Mary Farnsworth
Town Attorney, Pat Morrell
Town Bookkeeper, Angela Teste
Planning Board Chairperson, Sue Balluff
Mary Ann Brodnicki
Melody Collinsworth

Approval of Minutes:

August 19 2020 with Resolutions.
Motion to Accept: Councilman Michael Joslyn
Seconded by: Councilman Joseph Brodnicki
Motion Carried

Communication: A. Email about Dumpster Days Discussion further into meeting under Supervisor News

B. Planning Board information was given by Sue Ellen. Everything is moving along with public hearing and Variances applications were sent to the Zoning Board as well. Minutes are still in draft form and will be sent as soon as approved

Highway Department Report was passed out and Superintendent Morrell brought up Dumpster day. He is not happy about the Highway department working on Saturday without any extra pay. Say that he and his department don't/won't work without it. He feels it is not part of his job even though the Town Attorney says that it is and IF the Town Board say they are working then it will happen. After further discussion the Town Supervisor decided that the Town Board will work on Saturday from 8am to 3pm since the Town had already budgeted this Dumpster Days. Further discussion will take place at another time and with all parties involved as well as the Town Attorney. Supervisor Morrell also wanted to get rid of some old equipment and donate it to Ovid town/Village. This equipment is a couple of rollers we no longer need. The Town Board saw no reason not to give them to Ovid for they have none and it would help them out with several ongoing projects

ZBA REPORT There was no ZBA meeting this month.

Zoning Officer Report Nothing at this time

Water & Sewer Report Mr. Stapleton has been busy out hooking up water lines as quickly as possible and installing new equipment for reading meters. New Water Truck was delivered and old one was placed on auction list

Dog Report Cindy has been out knocking on doors and issuing warnings about getting dog licensees. So far we have had good luck with people coming in to pay late fees

Supervisor's Report Supervisor Hayes stated that at this point in time we could not find any building permits to cover Mr. Thomas Kral request about his neighbors building a shed to close to his property line. This property was sold recently. It is now a legal matter.

Councilman Michael Joslyn as about the water project on 132 A here in Willard. Councilwoman Martha Wooledge stated it was on schedule and would restart in about three weeks on the State level.

The Town Clerks report was read and approved
