Motion carried

### 3. Communications

Charter Communications (3) and an extra one after posting online

### 4. Reports

- Committees

• Dog Control Officer. Cindy Covert brought her report in on Tuesday

• Highway Superintendent Daryl Morrell went over his report. Supervisor Hayes ask him to mow the area on Rt. 89 and Town line Rd a couple of times this summer. Daryl agreed to do this. He also ask about his phone. Requested that he not carry two phones and that the Town pay the same amount of his phone bill as is done for the Water department. This was discussed and decided that it is a great ideal. A resolution will be done to handle the situation.

• Planning Board... Bill Karlson gave a quick report of the project that the Board are working on and have approved this last month. All seems to be going good, No real problems He did ask about hunting on the depot and he was told that it is now private land so whatever the owner wants to do he can. Not Towns business unless there are laws broken.

• Supervisor.... Supervisor Hayes spoke briefly on the monies that they Town should be getting for Federal aid for the water lines and how we could use it, i.e... Pay off the RT. 89 waterline and free up moneys for the much needed sewer line in Romulus. There are many ways that the Town can handle this and when it happens there will be a committee formed and they will explore all possibilities and make their recommendations to the Town Board.
