Zoning/codes officer sent in his report. All looks good at this point.

#8 Old Business. None at this time was reported

#9 New Business. Town Clerk included a notice that she received from SAMSEN OPERATIONS, LLC-SENECA LAKE RESORTS. NYS is now asking them to apply for a Summer Tavern License instead to the catering license they were advised to apply for. This allows them to be open to the public and serve Beer/Wine/ and Liquor which is better suited for their business. This is for information only. No action was to take place on this knowledge.

Supervisor Hayes brought up and tried to explain the State/County/Town stand on the letter that will be included in people's water bill in July. If there is a financial hardship in paying this bill they will have to come in and explain to us why they can't pay. We cannot turn off water nor charge penalties or take any action against them during the PANDEMIC by State mandate. Anyone can come into the office and say they can't pay and we will work with them.
