Re: CDBG Program Award  
Town of Romulus Willard Water System Improvements  
NYS CDBG Project #993PW129-22  
REDC CFA # 119665

Congratulations. On behalf of Governor Kathy Hochul and the Housing Trust Fund Corporation (HTFC), it is my pleasure to inform you that the application submitted for New York State Community Development Block Grant program funds as part of the 2022 Regional Economic Development Council (REDC) Consolidated Funding Application (CFA) round has been selected for a \$1,250,000 award.

The Regional Economic Development Councils and the Consolidated Funding Application (CFA) were created in 2011 to provide each region with the tools to create and implement their own roadmap for economic prosperity and job creation. This community-based model uses local assets to drive local economic growth and has resulted in unprecedented partnerships and collaboration that are building a reinvigorated economy.

The Office of Community Renewal (OCR) will advance a Grant Agreement under separate cover for the award. The agreement will outline the conditions of the CDBG program that must be addressed to satisfy the award. Please be advised that no work can be performed, nor any cost committed or incurred, prior to the execution of the grant agreement and approval of all required environmental review record materials. HTFC and OCR reserve the right to rescind an award and deobligate funds for projects unable to satisfy all requirements. If you applied for funding from other programs or other State agencies, you will receive information from those programs/agencies separately.

Congratulations again. We look forward to working with you on the implementation of this and other important community development projects in your community. Should you have any questions in the interim, please contact Charles Phillion at [Charles.Phillion@hcr.ny.gov](mailto:Charles.Phillion@hcr.ny.gov).

Sincerely,

RuthAnne Visnauskas
